

Does Your Employer Match Donations?

Some employers will double or even triple donations made by their employees, retired employees, and board members. To see if your employer participates, please refer to the list below. If you do not see your employer on this list, please contact your Human Resources Department, as there are employers who may not be listed nationally. It is estimated that up to seven billion dollars in corporate gifts go unclaimed each year. Those funds could make a real difference to organizations like ours, so it is important that you take that step to help the charities you support even more. Once you have confirmed your employer matches donations, make sure you let them know of your gift and provide them with any information they need to match it. Thank you!
